Summary:

Your PIN ID: P393846942

Your PIN will be valid until July 5, 2014

Please complete the 2 registration steps starting with Step 1

Copy your PIN ID onto the form in Step 1. You are now ready to begin Step 1 of the registration process. After completing Step 1 you will automatically be prompted to proceed to the next step. Once you have completed the registration process you will not need to use your PIN again. You will login using your User ID (your email address) and password you entered during registration.

Step 1: Verify your Identity at

<https://secure.fpglendale.com/Portal/identity-verification-validate.aspx>

Step 2: Submit your Preferred Method of Contact at

<https://secure.fpglendale.com/Portal/Registration/Method+of+Contact/default.aspx>

To return to any of the registration steps that you were unable to complete click on the applicable LINK above.

Patient Connect works best with Google, Googlechrome, Mozilla Firefox, Safari, and Internet Explorer Version 9.0. Later versions of Internet Explorer do not always work with Patient Connect.

Signed by [REDACTED] 6/5/2014 7:52:19 AM

Now you can start your identity verification process.
There are two steps left to complete your registration!

Make sure you copy your PIN ID to use in the next step.

Click on the link below "Step 1"

Validate Identity

To protect your privacy, we need to verify your identity by matching your personal information with the information stored in our records.

⚠ Disclaimer

The information on this Web site is provided as a service by our clinic. While we try to keep the information as accurate as possible, we disclaim any implied or stated warranty or representation about its accuracy, completeness, content or appropriateness for a particular purpose.

Verify Identity

* First Name:

* Last Name:

* Birth date: 

* Gender: 

* PIN:

[Verify](#)

To verify your identity you will need to enter your first name, last name, birth date, gender and the PIN ID that you copied from the email above.

Click on "[Verify](#)" to complete this step.

Verify Identity Complete

Patient Enrollment Complete
